

Learning Themes - January 2020

This term we are learning about Traditional Tales - such as The Gingerbread Man, Goldilocks and the 3 Bears, and many others.

We will be making Gingerbread men and enjoying playing with gingerbread scented playdough. We will also be making porridge and enjoying a Goldilocks themed Forest School Session. There will be lots of Maths learning this term, especially in the area of shape, space and measures. We will ask the children to bring a bear in from home so we can compare them in size and measure them using cubes.

As well as traditional tales, we will spend a week focusing on Chinese New Year. This is a great festival for Nursery children to get involved with and there are lots of fun activities to try. We will practise our own versions of Chinese writing. We will enjoy some red and gold themed craft. We plan to make some large dragon heads and then take them outdoors to develop our physical skills as we practise some dragon dancing as a group. We look forward to finishing our Chinese focus by trying some yummy Chinese food!
