Our current topic is...

### Bears

Our topic of Bears is going to be lots of fun - we will be reading favourite stories such as 'We're Going on a Bear Hunt', 'Itchy Bear' and 'Peace at Last'. We will learn about 'real' bears and explore some non-fiction books to find out facts - such as what different bears eat and where in the world they live.

We will enjoy lots of Teddy Bear themed activities too. A 'bear cave' will appear in the Blue Room soon, which will create a cosy spot for some role play fun! We will use 'compare bear' counting resources to practise our number skills and discuss shape, size and pattern.

We are also looking forward to having our own bear hunt round the Nursery garden!
