

# Kings Road Nursery School

## Newsletter

February 2022

### Our current topic is -**Celebrations**

Our new topic of Celebrations should be lots of fun!

We plan to learn about Chinese New Year, Valentines Day and Birthdays as well.

We have created a 'Chinese Restaurant' role play area in the Blue Room which is providing lots of opportunities for mark making, early mathematics and language development.

We are also looking forward to making a large Chinese Dragon and performing a Dragon dance outside - look out for the Seesaw video of that one!

**Car Park Safety** - Please can we ask that you keep your child with you when queueing up to come in to Nursery each morning. Unfortunately the pedestrian entrance to our school runs through our car park, which has cars coming and going throughout the day. It is not safe for the children to be away from their adults and running around this area at any time.

**Half Term Dates** - we finish on Friday 11th February, **11.20 am finish for Yellow Room, 11.35am finish Blue Room.** Nursery starts back on Monday 21<sup>st</sup> February.

### Visits and special days

Unfortunately our Monday Jo Jingles sessions will be paused for a little while, we hope to start again soon.

Sonal Sportz will be in every Wednesday to do football.

We are keen to start Forest School sessions again as soon as possible but we haven't yet had the recommended staffing levels this year to allow us to do so.

**A note about reporting a weekend positive COVID 19 case to us** - It is really helpful to let us know as soon as possible if your child tests positive. The sooner we are aware, the sooner we can let the school community know, meaning other children and staff can be tested before coming back to nursery. I do check seesaw at the end of the weekend and would be grateful for you to message then rather than waiting until Monday morning if you can.

Also, please remember to register any positive lateral flow test result online via the [www.gov.uk](http://www.gov.uk) website

Thank you

Ms McQuillan

**REMINDER** - please ensure your child has appropriate Winter clothes with them at Nursery. Hats, Scarves and Gloves (Mittens are better!) are essential for this time of year - we spend time outside whatever the weather 😊
