January 2022

Our current topic is - Traditional Tales

Welcome back and Happy New Year - we hope you all had a wonderful break!

Our new topic to start 2022 is Traditional Tales - we will enjoy looking at the Gingerbread Man, the 3 Little Pigs and Goldilocks, among other favourite stories. We always aim to follow the children's interests and experiences when selecting topics - and the children this year seem particularly keen on storytelling and acting out familiar tales.

We will also spend some time learning about Chinese New Year at the end of January - this colourful festival offers lots of great learning opportunities and we will enjoy dragon dancing, Chinese writing and messy play with

We will be taking part in the RSPB big schools birdwatch in January. This is a great opportunity for you to discuss garden birds with your child, maybe getting your child involved in feeding the birds at home.

A little reminder that we would love to see more donations coming in for our textile bin! If you are having a new year clear out - please bag up clothes and textiles and pop them in our big blue bin to help raise funds for our school.

Term date reminder – we finish on Friday 11th Feb (Yellow Rm 11.20am, Blue Room 11.30am) back on Mon 21st Feb

From the 10th Jan, we will be having a weekly Jo Jingles session in Nursery. Jo Jingles provide fun music and movement classes that you may already be familiar with. We know the children will hugely enjoy this and we are looking forward to getting started! We were able to book these sessions thanks to your contributions of school fund, which is so vital to the running of the school - thank you for your continued support.

Don't forget applications for Primary 1 need to be made online on the Education Authority website by Friday 28th January 2022 at 12noon.

Just a reminder to keep your child at home if they are at all unwell - given the ongoing situation with Covid, we would urge you to err on the side of caution and administer a lateral flow test if necessary. Thank you for taking these precautionary steps, which will help to keep all our children and staff safe at Kings Road Nursery School.
