

Kings Road Nursery School

Newsletter

Our current topic is...

Getting to know you.

We are continuing with our Topic of 'Getting to Know You' as there are still lots of great learning opportunities to share with the children. We have been drawing self portraits, which will continue to do every few months throughout the year to see how the children's drawing changes and progresses.

We have been playing board and dice games, which is helping us to get a better understanding of the children's counting and number work.

The children are enjoying lots of time outdoors, where they are exploring our Nursery Garden - the mud kitchen is proving very popular! We have harvested potatoes from our Vegetable planters and look forward to cooking these soon ☺

We have a really exciting visitor to look forward to after the half term holidays. The Ark Farm will be bringing their 'Autumn Roadshow' to Kings Road on Monday 4th November. They will do an interactive show talking about food, farming and animals who hibernate. There will be some animal visitors coming along - including hedgehogs, tortoises and micro squirrels!

Please read the attached letter about our Textile Bin. We hope you can support this great fundraising opportunity!

October 2019

SOMETHING TO PRACTISE...

We really promote independence here in Nursery – and encourage the children to do as much as possible for themselves. As we change into wellies most days, can you please practise getting your child to take their shoes off by themselves and put them back on.

STOREHOUSE COLLECTION

As Harvest time approaches, we are excited to enter into the spirit of gratitude and giving. We plan to make a Harvest Collection to Storehouse - a local charity that provides food to those who need it. We will send a letter soon with details of what you can donate and will be placing a collection box in each class foyer.

Thinking ahead - some dates to note...

Half Term closure dates: Mon 28th Oct- Fri 1st Nov

Ark Farm Visiting Nursery: Mon 4th Nov

Staff Development day (School closed): Weds 13th Nov
