

# Kings Road Nursery School

## Newsletter

September 2019

Our current topic is...

### Getting to know you.

Welcome to Kings Road Nursery School!

We have been so pleased with the way the children have settled in to Nursery life so far ☺

As our settling in process continues, we will continue to closely observe how the children are managing with the increasing session length and group size and let you know if any changes need to be made for your child's needs.

In these early weeks, we will continue to support children in making new friends and following our Nursery routines and rules. We will be learning our new friend's names, talking about our likes and dislikes and enjoying familiar stories and songs.

We will also be discussing Autumn and looking out for signs of the change in Season. Each class will have an 'Autumn Table' which the children are encouraged to bring items in for!

Please note – For Safeguarding purposes, Kings Road Nursery School is a **PHONE FREE ZONE**. Please do not use your phone in the building. Thank you ☺

### WEBSITE NEWS!

We have a newly updated Kings Road Nursery School website. Do look it up if you haven't done so already - on there you will find term dates, school dinner menus, an events calendar and lots of other useful info

[www.kingsroadnurseryschool.org.uk](http://www.kingsroadnurseryschool.org.uk)

For Health & Safety reasons, please do not park in the staff car park. Please park further up the road, taking care not to be too close to our nursery gates.

**Self Registration - from next week on, we will ask the children to find their name on a handprint each morning and stick it onto our board. Name recognition is one of the first 'pre reading' skills, and it's also a great chance for the children to complete a task independently and feel proud when they find their own name. Please encourage your child to do this on their own!**

**Staff News - Mrs Warke will be leaving us as clerical officer this month after 2 years providing temporary cover for Mrs Wright's career break. Mrs Warke has been a hardworking and valued member of our team and we wish her all the very best in her new position. We look forward to welcoming Mrs Wright back later this month.**
