

Kings Road Nursery School

Newsletter

April 2022

Our current topic is - **Growing**

Spring has sprung and it is the perfect time of year to learn about *Growing*! We will be doing lots of planting indoors and out, and thinking about what plants need to grow.

We will talk about how the children have grown - and discuss all the things they can do now that they couldn't do when they were babies.

We are also looking forward to enjoying lots of Easter themed activities this month, which will of course include an egg hunt in the Nursery garden!

Adopt an Elmer

We have pledged to raise a minimum of £1000 for Northern Ireland Hospice by getting involved in Elmer's Big Belfast Trail. From 20 June 2022, Belfast will be transformed by a herd of uniquely decorated, amazing creative, elephant sculptures across the city and Kings Road Nursery will be participating in decorating their very own Elmer Elephant! Look out for pictures of the children creating our very own unique Elmer!

FLOWERS WANTED!!

Around this time of year, we love to carry out an activity called 'Hapa Zome' with the children. This is the Japanese art of bashing leaves and petals with hammers or stones so their pigment makes a colourful pattern on cloth.

Shop bought flowers that are 'past their best' are perfect for this activity, so if you have some Mother's Day flowers that are heading for the bin – please bring them in to us instead!!

Parent Questionnaires

Your child will be bringing home a parent questionnaire in the coming days. This helps us plan and evaluate your child's experience at King's Road. Please complete and return to school in the box provided. Thank you for your co-operation.

Easter Holiday dates

We finish Nursery on Fri 8th April - **Yellow Room will finish at 11.20am and Blue Room at 11.35am.** Nursery will start back on Monday 25th April.

Group Photographs - Whitehall Photography will be in on Mon April 25th (the first day back after the holidays) to take whole class photos.
